

January 30, 2017

Dear Mildred C. Wells Academy parents and community:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for Mildred C. Wells Academy.

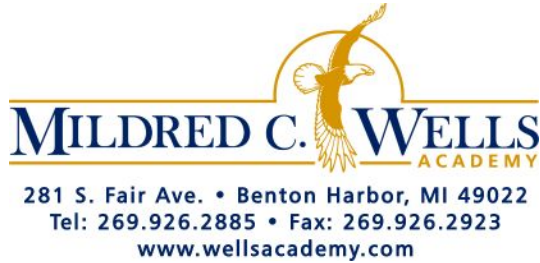

The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Esther Dowdell, school leader, for assistance.

The AER is available for you to review electronically by visiting: [www.wellsacademy.com](http://www.wellsacademy.com). You may also review a copy in the school leader's office.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given.

Our school has been identified as a priority school.

The key academic challenges for MCWA are a learned apathy toward academic and testing and lack of preparation in the form of preschool or at-home academic preparation prior to beginning of kindergarten. As a result, we have found that our students enter school with significant deficits and that teachers, in every grade, are continually playing catch-up trying to help students make up for lost time.

**State law requires that we also report additional school-site based information for the two most recent years:**

**Process for assigning pupils to the school:**

- Mildred C. Wells Academy is a free, public school and adheres to all requirements outlined by its charter authorizer and federal and state law regarding enrollments.
- The academy does not charge tuition nor discriminate in admissions policies or practices on the basis of intellectual or athletic ability, measures of achievement or aptitude, status as a handicapped person, religion, creed, race, sex, color or national origin. Current students are given the opportunity to re-enroll in late winter, with preference given to them and their siblings
- In the spring, the school holds an advertised open enrollment period, during which any Michigan resident may apply.
- In the event that any grade is oversubscribed, a public lottery is held to determine enrollment and a waiting list.
- The academy identifies, evaluates and services all children in the school who may have disabilities. For more information regarding assistance for students with disabilities or if you suspect your child may have a disability, please contact the school leader.

**The status of the 3-5 year school improvement plan:**

The school improvement plan is viewed as a working tool. The school improvement team consists of the school leader, veteran teachers, and, when possible, parents. The SIP has been modified to reflect our new initiatives and we believe that we are making great progress toward our goals.

Our 2016-17 on data on NWEA showed a schoolwide average increase 7.5 points per student. Our 1st ,2nd ,4th ,5th ,6th, and 7th met or exceeded school norms projected growth on their NWEA.

Tiered instruction provides the prerequisite foundational skills necessary to become good readers. Struggling readers who do not receive early intervention will fall further behind across grade levels further widening the learning gap. We have implemented the use of a strong leveled reading program (DRA). Students who required interventions have been identified quickly. We have implemented a universal screening within a Response-to-Intervention (RTI) framework as an important tool in the process of identifying students who require early reading intervention.

Our most significant professional development activities focused on implementing creative differentiation, tiered centers-based learning, and writing across the curriculum. We have also focused heavily on reading comprehension and will focus on reading comprehension as it relates to word/story problems in mathematics.

**Status of the curriculum**

281 S. Fair Ave. • Benton Harbor, MI 49022

Mildred C. Wells Academy utilizes Pearson's Reading Street, Envision Math and Interactive Science for grade levels K-6. Seventh grade is using Engage New York for both ELA and Math and Interactive Science for science. This quality, proven curriculum is aligned to the state grade level content expectations, as well as to the Common Core State Standards (CCSS), and it promotes mastery of all core subject areas.

The parents at MCWA are given a curriculum map of their child's curriculum at back-to school night, and may request specific curriculum at any time.

Our school's core curriculum can be obtained by contacting administration. It is being implemented fully this year, with the primary focus of August professional development being teacher training and practice. While the curriculum is innovative and superficially different from many models, it does not vary greatly from the state's model in that everything we do and our approach to all centers and projects will be based on the common core standards.

### Aggregate Student Achievement - Globalscholar/NWEA 2016-17:

## Aggregate Student Achievement – Globalscholar/NWEA 2014-15:

## Parent-Teacher Conferences

2015-16: 86% of students were represented by parents/guardians at parent-teacher conferences.

2014-15: 90% of students were represented by parents/guardians at parent-teacher conferences.

I would like to personally congratulate the staff, students and families of Mildred C. Wells Academy on a successful school year. Thank you for choosing Mildred C. Wells Academy for your child's education. We look forward to continuing to provide a quality education to you and your family.

Sincerely,

Esther Dowdell  
School Leader
